Tracking Changes in Urbanization

Name: _____
 Section: _____
 Score: ____/5

Directions: Using the data from the table, create a line graph to show the changes in the percentage of urban residents in each of the five regions. Use a different color for each region, and be sure to complete the key. Once finished with the graph answer the question at the bottom of this paper in complete sentences.

	Percentage of Urban Population		
	1950	2007	2030 (projected)
Africa	15	37	51
Asia	17	41	54
Europe	51	72	76
Latin-America— Caribbean	42	76	84
North America	64	79	87

KEY

What major trends do you see? Where is the urban population growing fastest? What are the possible causes and consequences of rapid urbanization in these places?
