

Environmental Policy

Committee Work

Leveled Assessment ____/4

Name:

Section:

Score: ____/5

Directions: You will be working individually, or with a partner, to come up with a briefing about the different committees in the legislative branch that deal with the environment. Use powerpoint to organize information about one of the committees.

Senate

Agriculture, Nutrition, Forestry
Commerce, Science, Transportation
Energy and Natural Resources
Environment and Public Works

House of Representatives

Agriculture
Energy and Commerce
Natural Resources
Space, Science, and Technology
Transportation and Infrastructure

Introductory Slide

1. The composition of the committee
 - a. Who is the chairman of the committee? (name, party affiliation and state)
 - b. What are names, states, and political affiliations of its members?
 - c. How long has the committee been around?
2. Include another interesting bit of information regarding the committees' involvement with the environment

Research:

1. What types of issues regarding the environment does your committee have jurisdiction over?
2. What bills related to the environment is the committee currently debating?
 - a. On a separate slide highlight one of the bills currently being considered.

Subcommittees (Number of slides depends on how many subcommittees there are)

1. Include the name of the subcommittee
2. What is the focus of the subcommittee?
3. What hearings have they recently had, or will be having regarding legislation regarding the environment?

Contact card

1. Website for committee
2. Contact information for majority party and minority party
