

Push and Pull Factors of Migration

Instructions

Step One: Brain Storm

- Work with your partner to come up with a list of 10 possible reasons humans may migrate.
 - For each one come up with an example of how they could be a push factor or a pull factor.
 - Ex. War
 - Push: People may decide to move out of a country to avoid a war.
 - Pull: Mercenaries may be drawn to a country to fight in a war.

Step Two: Group Think

Step Three: Ranking

- In your groups using the class list come up with a ranking in order of 1-5 of the 5 biggest/most important Push factors and the top 5 Pull factors of Migration

Step 4: Categorize

- For all of the Push/Pull Factors categorize them as either Economic, Cultural, or Environmental Factor
