Section:

Directions: Choose a culture other than your own and research the specific beliefs, values, traditions, and traits of that culture. When you are choosing a culture try to be specific since there will be a lot of variation within cultures (ex. Bavarian Culture, instead of just "German Culture"). Once you have your culture answer the questions below.

1. Culture Chosen: \_\_\_\_\_
  
2. Research and find out five specific cultural traits that are unique to that culture. For each one explain how it is a reflection of the values of the cultural group. Use information from the notes Culture: A Sociological Look to give you an idea of what types of traits you should be examining.
