 Russian and Chinese Revolutions Poster

Name: _____
 Section: _____
 Score: ____/10

Directions: Using Information from class and from outside sources you will be making a comparison and contrast poster that explains the similarities and differences between the Chinese and Russian Revolutions. You will be using information from class, as well as from the internet (which need to be properly cited in MLA format either on the poster (front or back) or an attached paper.

Similarities:

You'll need to make connections on how the Russian and the Chinese revolutions are similar. You will need to write a thorough explanation about the type of Political, Social, Economic, etc... change that took place, or the way in which the revolution was carried out. You will need to make the connection about how they are the same or similar in both the Russian and the Chinese revolutions. For the similarities you will be drawing a visual representation that will help display the connection between the two revolutions.

Differences:

You will be making explanations of four differences between the social, political, economic changes that happened because of the Russian and Chinese Revolutions, as well as how they took place. (Hint: You cannot say that one was in China and the other in Russia!). Again you will be drawing visual representations to help illustrate the differences between the two.
