

AGRICULTURE

One species, many means of survival

Critically analyze the following photographs

- What do you see in each photograph?
- What changes are there between the previous slide and the current one?
- Is the country an MDC or an LDC? What led you to determine that?
- Be sure to look at the people, the house, their possessions...
- Take a guess as to which country or continent each family is from.

GERMANY

- Bargteheide, Germany: Melander family
- Food expenditure for one week:
375.39 Euros or \$500.07

UNITED STATES

- North Carolina, U.S. Revis family

- Food expenditure for one week: 224.93 ngultrum or \$5.03

CHAD

- Breidjing Camp, Chad: Aboubakar family
- Food expenditure for one week: 685 CFA Francs or \$1.23

- On the back of your paper, write 2-3 sentences that make generalizations about people and the agricultural products they consume.
 - Consider that many of the families toward the end of the slide show grow their own food.
