

American Cultural Influences

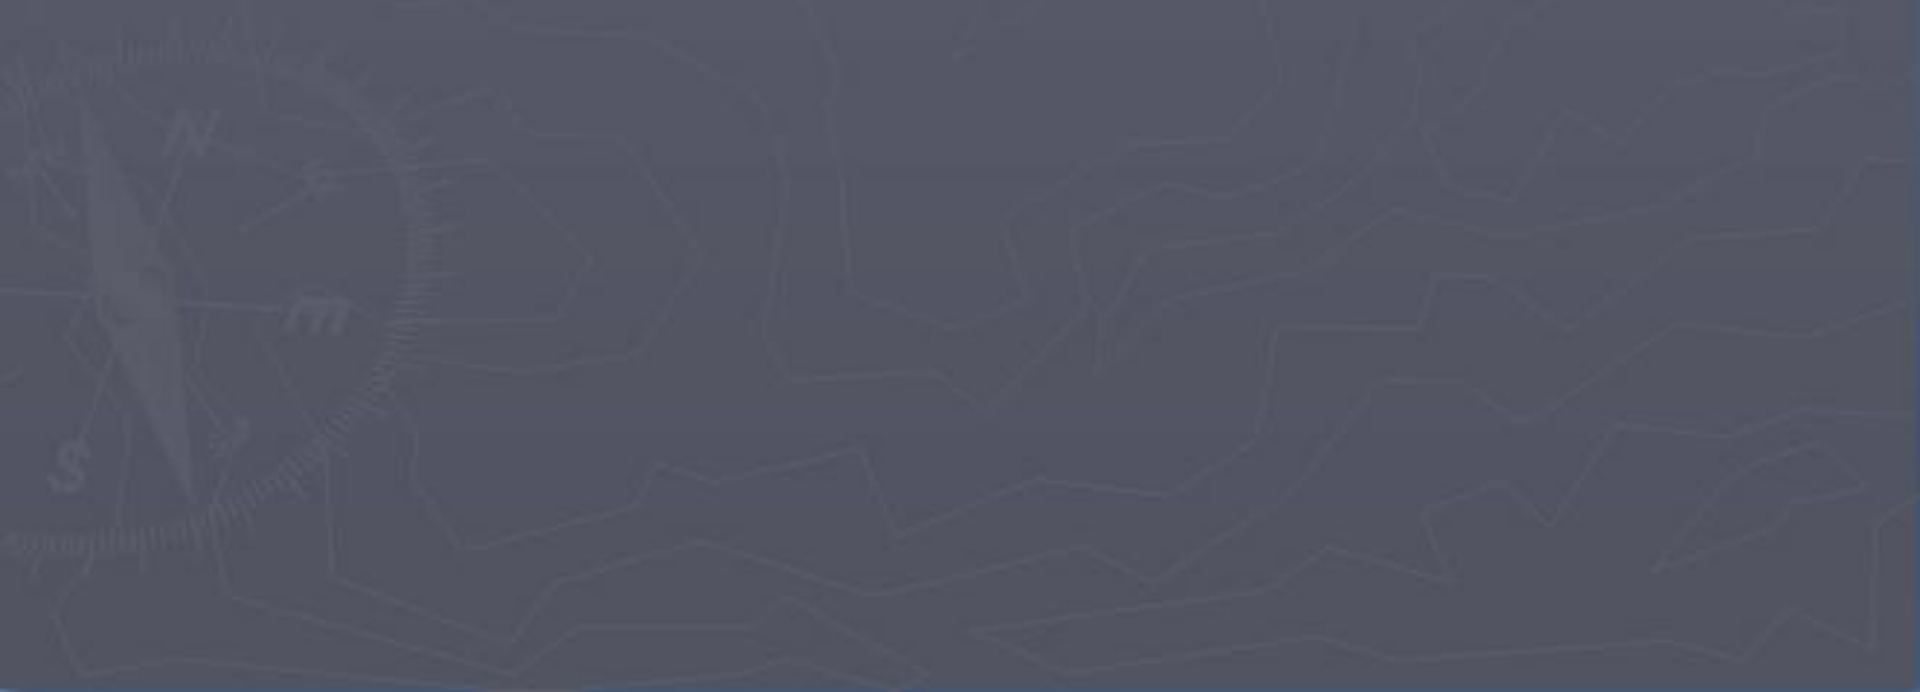

Guided discussion reviewing the
cultural contributions to the United
States

Goal: Decide how to define the culture of the United States

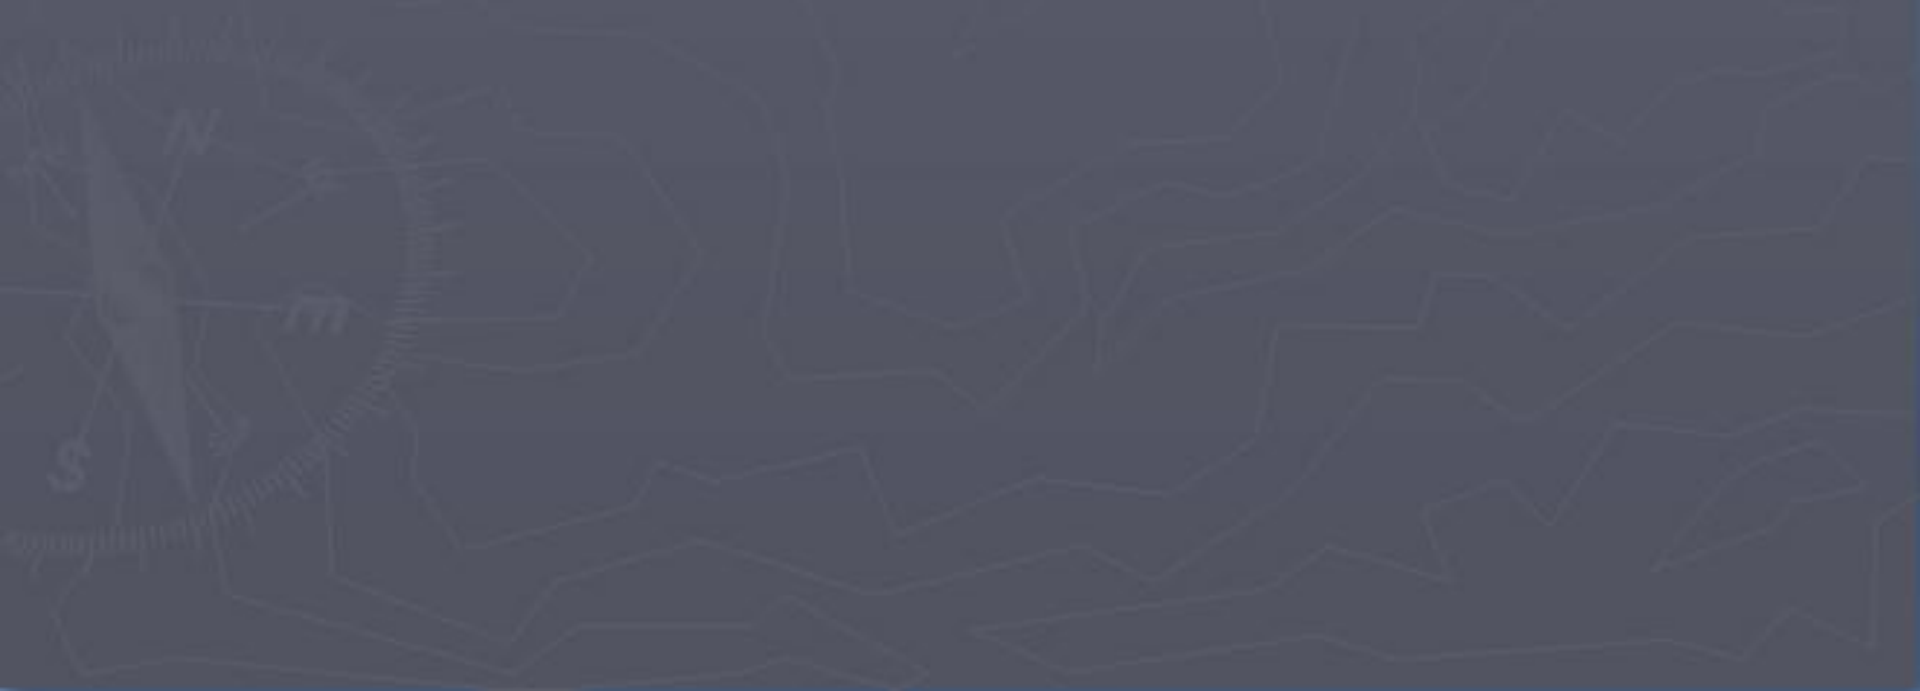

- As a class we will be working through a series of discussions to identify how exactly to classify the culture of the United States

Considering the Population: What types of peoples have influenced the building of American Culture?
(Ranked)

Examining Culture: What types of things are distinctly “American”?

Consider main language and Religion:
How are we connected or
disconnected to other continents?

Is America a Melting Pot or Salad Bowl?

Moment of Existentialism

- Take a moment to consider the following question and then answer it as best as possible considering the view point of an outsider looking in.

Question: Could the United States be culturally considered a European Country? Explain your answer.
