

1. Intro Paragraph and Thesis Statement – Write a complete Intro Paragraph and a Thesis. Put a box around your thesis.

2. Four Groupings – Put the documents into 4 different groupings – Label each group with the characteristics that you would use in your answer. Use at least three (3) docs per group. Docs can be used more than once.

--	--

3. Point of View – POV – Identify the POV of three (3) different Documents. Why is this person writing this document at this particular time? What do we know about the author that would influence their writing? Who was the document written for? Why? How viable is it? Factors such as gender, occupation, social class, race, nationality, or political identity are a good place to start!
