Design an EcoAdventure: Site Selection

Name:

Instructions: Use the worksheet below to collect information about the 10 sites you are planning on visiting for your eco-adventure. Here is a good spot to start planning out your paragraphs explaining the significance of each site. Keep this information readily available for your presentation.

Location 1 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 2 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 3 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

World Environmentalism

Location 4 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 5 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 6 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

World Environmentalism

Location 7 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 8 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

Location 9 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)

World Environmentalism

Location 10 Name _____

Entrance Fee:

Reason for Selection: (Importance of area, what you can learn by visiting site, what are the highlights of this particular site?)
