Looking for Social Interaction

Name:

Section:

Directions: Head out into the zoo (Especially the jungle) and try to find examples of social interaction between individuals. Write down the forms of social interaction and theorize the potential reasons for why the that type of behavior is helpful

1. List types of Social Behaviors observed and where. (List 5)

Type of Behavior	Where observed
1.	
2.	
3.	
4.	
5.	

2. Choose one of the behaviors and explain why in might be helpful to the health of individuals and the group as a whole
