

Cartography

Mapping You

Name:

Section:

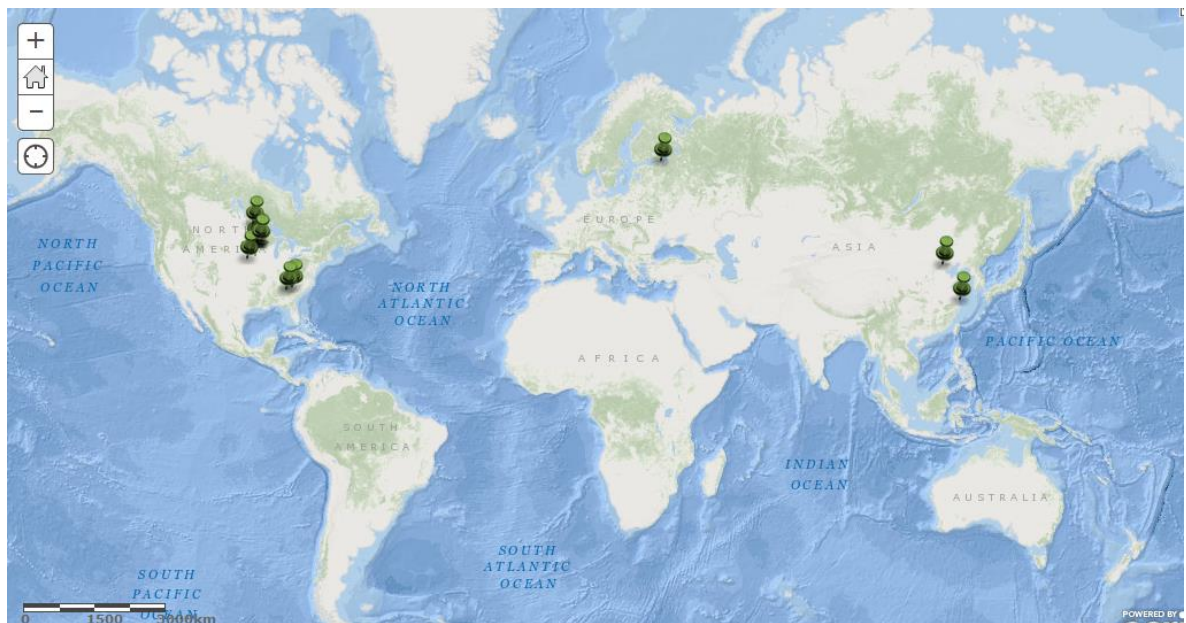

Directions: Using ArcGIS you will be making a map of a couple major events in your life. Use the directions below to complete and submit the assignment.

How to make your own map:

1. Go to the Website www.arcgis.com
2. Click "Sign In" in the upper right hand corner
3. Use the following login information
Username:
Password:
4. In the bottom features select "Make a Map"
5. Follow the directions on the sidebar to create your map

Your Map must include the following features as close to their actual location as possible.

- Childhood home
 - Locations of where you siblings live (if any)
 - Locations of where your parents live
 - Favorite vacation spot
 - Location of schools you've gone to
 - Location of where you currently live in the US
 - Location of place you most want to visit
 - Where you most want to go to college
 - Where you would like to live when you grow up
 - One other event/place of your choice
 - o With description
6. When finished click "Save as"
Save the map in the following format 'last name, first name'
