Lesson: I will be at the Minnesota Council for the Social Studies today and tomorrow in the cities so there will be a substitute. In my absence students will watch the FSN special “Ice Dreams” that details the history of the Minnesota Boys State Hockey Tournament. There will be a questionnaire to go along with it. If the film finishes before the end of the hour then start “How to talk Minnesotan” by Howard Mohr.

Homework: Continue working on “Pop Culture” Paper.

Day Five:

How to talk Minnesotan (50min)

Objectives:

None Needed

Lesson: I will still be at the MCSS in the cities. Today students will continue watching “How to talk Minnesotan”. This is just for their enjoyment so no notes need to be taken. It is good enough that there should not be any issues. It also brings up a lot of different topics in Minnesotan Culture. If the movie ends before the end of the hour let the students go to the library to finish their papers.

Homework: Continue working on “Pop Culture” Paper. Due Monday. “Minnesota Nice” Reading
